

# IP-68 Waterproof Parts Counting Scale

## Pictograms

Kg, g, lb, oz, IP-68, Tare, Zero, +/- Weigh, Parts Count, Backlight Auto Off, Low Battery, Battery

These compact, sturdy portable series of scales feature a front and rear display for easy weighing. They are ideal for use in harsh working environments and food service applications. They have a Stainless Steel case which is dust and waterproof to IP-68. A membrane keypad with 4 simple to use function buttons makes the scale easy to use and maintain.

- Stainless Steel casing and weighing platform with adjustable non-slip rubber feet and a bullseye level bubble
- Dust-tight & water-protected to IP-68 rating
- Weighs in kg, g, lb, oz
- 228 x 190mm stainless steel weighing pan
- Large 85 x 30mm front display with function indicators
- 2 displays – front & back
- Adjustable backlight
- Tare & Zero indications
- Check weighing to a set weight as +/- value
- Parts counting from 10, 20, 50 or 100 sample pieces
- Auto power off
- Internal rechargeable battery
- Supplied with: Mains Power Adaptor
